

**16th International Conference on
Sustainable Energy
&
Environmental Protection
SEEP2024**

September 9th to 12th 2024

1st CALL FOR PAPERS

**University of Natural Resources
and
Life Science, Vienna**

Introduction

The Sustainable Energy and Environmental Protection conference provides a forum for both researchers and practitioners around the world to present papers on recent developments in the fields of Sustainable Energy and Environmental Protection. The organising committee of the conference invites papers from researchers and practitioners from academic as well as industry within the scope of the conference subjects.

Scope

The conference particularly welcome papers related to industrial based projects. Papers dealing with one or more of the following topics will be considered for the conference: Steam System Efficiency & Management, Biomass Conversion, Fuel Cell and Hydrogen Technology, Hydrogen Economic & Investments, Photovoltaic Technology, Solar Thermal Applications, Marine/Ocean Energy, Wind Energy & Applications, Technical Developments in Vehicles, Engines and Equipment, Fuelling Technology (EV, Diesel, CNG, LPG), Modelling and Simulation, New Concepts including LNG, Biogas, Hydrogen, Electrical & Hybrid Drive Systems, Energy Storage, Supercapacitors and Applications, Smart/hybrid Power Networks, Policies & Regulations, Codes & Standards, Economic Aspects, Road Management, Marketing Strategies, Environment Management, Environmental Issues including Air Pollution, water and Water Management, Waste

Management, Climate Change, Health and Environment, Customer and Society Satisfaction, Materials and Fuel Developments, Including: Nano-technologies, Light weight structures, Bio-composite materials, Fuel Cell Materials, Membranes, Sensor Technologies, Combustion, Passive and Active Building Design, Cyber Security, AI and Robotics, Circular Economy, Nuclear Energy and decommissioning.

Sessions, Workshops and Symposiums

SEEP 2024 welcome you to suggest or organise Sessions, Workshops and Symposiums.

Prizes

Sponsored prizes, will be awarded for the best papers presented by undergraduate students. Judges will decide on the awards based on the quality of both the written paper, and the presentation.

The venue

The conference will be held at the University of Natural Resources and Life Sciences, Vienna (BOKU), in Austria. Muthgasse 18, is accessible from the city center by public transport in 15 minutes and is located next to Heiligenstadt metro station. Vienna is regularly on top of the World's best cities rankings. for more information please visit:
